TO: Benton County Commissioners Shepherd, Wyse and Malone

I am John Snelling and I live at 1420 NW Worden Circle, six miles south of the Landfill.

I am submitting this testimony in response to the testimony of Evelyn Lee (Planning Commissioner during BOTH the 2021 and the current expansion applications) . Her testimony is already in the Board of Commissioners Reconsideration record, as relates to the DEQ Pre-Enforcement Notice. (Record ID: BOC4_T0791)

Ms. Lee is uniquely qualified as someone with prior experience in nearly a decade of consideration concerning Coffin Butte. I urge you to carefully consider what she has written.

Please note that I have commented during the first 7 day period. Prior to that I attended the meeting which established the 7-7-7 comment periods. I also attended the public testimony at the Fairgrounds last fall. As a resident living in the plume of odor and gas emanating from Coffin Butte, I am more than interested and concerned in your final decision.
