Subject of Testimony: Testimony of Dec. 6, 2025 DEQ Pre-enforcement notice

Full Name: Leslie Redpath

Mailing Address: 3085 Northwest Autumn Street

Written Testimony:

I request the Board of Commissioners accept the DEQ air quality findings regarding the expansion of the Coffin Butte Landfill. Those must be addressed before all else. Air quality issues affect us all and reduce our quality of life, air, water and health. It is wrong to ignore the facts provided by the DEQ as well as local residents. I can even smell the landfill from my home in north Corvallis. Laws and regulations are there for good reason and should not be ignored. I urge you to follow the recommendations of the DEQ.
