ENRAC supplied the evidence it used for its Recommendation to Deny to the Pluming Commission; the link to its Geogle Drive is in the ENRAC Recommendation to Duny, which appears to have been omitted from the Commissioners' Public Record, but it jg, in the Pluming Commission Public Record

This series of emails transfers the ENRAC material into the Commissioners' Public Record. There are 63 files total in the ENRAC evidence archive: I am transferring them all. - Ken Ekhander
