ENRAC supplied the evidence it used for its Recommendation to Deny to the Planning Commission; the link to its [Google Drive](#) is in the ENRAC Recommendation to Deny, which appears to have been omitted from the Commissioners' Public Record, but it is in the Planning Commission Public Record here:

This series of emails transfers the ENRAC material into the Commissioners' Public Record. There are 63 files total in the ENRAC evidence archive; I am transferring them all into the Commissioners' Public Record.

ENRAC's Deliberation Archive includes three files too big to email. Benton County staff now has a mechanism for transferring large files, so they will be transferred to the Commissioners' Public Record via that mechanism.

The three files are:

- 2024-CUP-application.pdf (157.4 MB)
- A huge landfill in Oregon is spewing methane. Its... _ Canary Media.pdf (16.1 MB)
- bctt_final_report_4-11-2023.pdf (17.9 MB)
