Dear Alberto,

Thank you for your written testimony submission to the public record regarding the appeal of LU-24-027, the proposed expansion of Coffin Butte Landfill. In order to ensure receipt of the mailed notice of decision at the conclusion of the hearing, our offices will need more information from you.

At this time, we do not have a complete mailing address on file for you. Please send this along at your earliest convenience to ensure we are able to keep you informed on this land use appeal.

Thank you again for your engagement in this quasi-judicial process.

Please deny the expansion of the coffin butte dump. It is bad for your virtually all of your constituents. It's also terrible for the Willamette Valley environment, and there are far better alternatives east of the cascades. Enough said; please don't sell out to disinterested parties.

Signed,

Alberto Safra
