Dear Commissioners,

This is to express my support for your rejection of Republic Services bid to expand Coffin Butte. Their past management has been mercenary; not at all in the public interest; nor conforming to legal requirements. Indeed, they have flaunted & foiled the interests of Benton County & Oregon communities. Moreover, their recent launch of 'Benton Clean & Strong' is a travesty of corporate misinformation & sleight of hand. Hold the line & keep us safe!
