Subject of Testimony: Expanding Landfill harms future generations!

Mailing Address: 399 NW Calloway Drive, Corvallis, OR 97330

Written Testimony:

Our children and grandchildren deserve clean air and water. This is the WRONG location to bring our state's garbage to. Make a landfill somewhere in a less populated, drier climate where it won't be polluting our water and air and impacting the health of a significant amount of our population in Benton County!
