Written Testimony:

The Coffin Butte Landfill expansion should be denied. The health risks to Benton County are just too detrimental. Already I've lost friends to cancer who live near the landfill. Add this to all the other reasons that prompted the Benton County commissioners to deny the permit in the first place. It's ridiculous that Republicans Services keeps appealing, hoping that the legal costs and hassle will eventually wear down our officials. Benton County, stay strong! The landfill cannot be allowed to expand.
