Dear BentonCounty Board of Commissioners,

I am unable to attend the public hearings on Oct 22 & 23, but I want you to know that my husband and I **STRONGLY OPPOSE** the expansion of our landfill. We believe that the expansion only increases the toxic substances buried in our backyards. We are responsible for our own garbage and its safe disposal. Others should be responsible for their own waste disposal.

I choose to buy a home in Corvallis because of it's **SAFE** environment for the future of my children grandchildren.

Please do not change your ruling on this issue. Please vote **NO** on this appeal.

Thank you for your leadership on this issue,

Kathleen Schonau and Donald Taylor
