As a resident and taxpayer in Benton County, I wish to express my strong disapproval for the expansion of the landfill. I know this operation is likely a great source of income for the county but that does not compensate for the negative impact of this operation. We are often exposed to the smell when the wind conditions are right, the unsightly view on our drives up north and our continued concern for the quality of our groundwater and soil.

Please resist the expansion.

Thank you,

Janet Khamashta
