Our family used to swim on the Willamette River from Eugene down to Salem. This public resource has become a hazard to my health because of the leachate drained from Coffin Butte Landfill. The amount of leachate has continued and is expected to grow with this proposed expansion. It needs to stop immediately. This operational activity violates BCC 53.215 (2) and Benton County Comprehensive Plan policies 5.1.2, 5.2.1, and 5.7.4
