RE: LU-24-027; Coffin Butte Landfill Expansion Proposal

Dear Commissioners:

In recent weeks, the Benton Clean & Strong Coalition called tens of thousands of registered voters across Benton County to get an understanding of public sentiment on the Coffin Butte Expansion proposal. The results were telling.

Nearly 3,000 voters in Benton County stated in this phone survey that they support the proposed expansion. 93 of these voters wanted to share their name publicly as a Benton Clean & Strong Coalition supporter to send a message to Commissioners.

These county residents stated their support because they recognize the many expansion benefits, including groundbreaking clean energy for homes, lower costs for families and services, and ensuring that the infrastructure meets and exceeds environmental standards.

We hope you consider these names of Benton Clean & Strong Coalition members from the aforementioned field outreach – and know these stand among thousands of Benton County voters who support the Coffin Butte Expansion.

Respectfully,

Benton Clean & Strong
