RE: LU-24-027; Coffin Butte Landfill Expansion Proposal

Dear Commissioners:

On the following pages you will find the names of 115 Benton County residents who signed a digital petition in recent weeks to support the proposed Coffin Butte Expansion.

These residents signed because they recognize the key reasons of expansion approval: investment in renewable energy, keeping costs low for residents in and around Benton County and economic benefits for local business. The language in this digital petition highlights these benefits and is listed below:

We support the expansion of Coffin Butte Landfill because it's the most responsible way to protect our environment, safeguard local jobs, and ensure reliable, affordable waste services for generations to come.

Thank you for considering these resident voices when discussing the future of Coffin Butte.

Respectfully,

Benton Clean & Strong
