RE: LU-24-027; Coffin Butte Landfill Expansion Proposal

Dear Commissioners:

On the following pages you will find the names of 150 Oregon state residents who signed a digital petition in recent weeks to support the proposed Coffin Butte Expansion.

These individuals reside outside Benton County, and they signed this support petition because they recognize the key reasons of expansion approval and how this impacts surrounding counties: investment in renewable energy, keeping costs low for residents in and around Benton County, and economic benefits for local business. The language in this digital petition highlights these benefits and is listed below:

We support the expansion of Coffin Butte Landfill because it's the most responsible way to protect our environment, safeguard local jobs, and ensure reliable, affordable waste services for generations to come.

Thank you for considering these resident voices when discussing the future of Coffin Butte.

Respectfully,

Benton Clean & Strong
