Written Testimony:

Benton County Commissioners Wyse, Shepherd, and Malone,

I am writing to express my deep and heartfelt opposition to the proposed expansion of the Coffin Butte Landfill.

The list of environmental, health and livability concerns is long and has been well documented during the previous rounds of hearings and reviews.

I leave you with this question: Who ever thought it was a good idea to turn bucolic Benton County into a toxic trash can for so much of Oregon's waste?

Do The Right Thing and Just Say No to Republic's expansion request.

respectfully yours,
Andrew Ould
