Dear Chair Wyse and Commissioners Malone and Shepherd:

As part of its vocal opposition to the landfill expansion, the public has put a number of videos into the Public Record for LU-24-027.

This one is a short clip (6 min) of the testimony by Erin Bradley, the director of the therapy nonprofit Bit By Bit. Erin and Bit By Bit are close neighbors of the landfill, and particularly of the parcels being proposed for expansion. Erin will not be able to appear before you in person, so hearing from her directly is well worth your time:

Thanks for your consideration on this matter, which is critical to the county's future.
