IDENTIFIER: T0671

10-23-25

From Marianne Udra
cyclist
hiker
biologist by degree

Your expansion will kill people due to
toxins. STOP. Let's find
another solution to this
STINKY
GREEDY
TOXIC
MESS!

It's now routine that I check
Wind data before I ride my
bike out to Tampico/Soap
Creek Roads!

I avoid hiking near
Calloway Creek in the
Winter ~~when~~ when northwinds
blow,

We are innovators +
engineers - Beaver State -

There is a better solution!
Thankyou for your attention to
this matter!
