Benton County Board of Commissioners Office
P.O. Box 3020
Corvallis, OR 97339

RE: LU-24-027; Coffin Butte Landfill Expansion Proposal

Dear Commissioners:

Over the past several weeks, you and your colleagues have received 260 emails directly from local business owners, community leaders and residents who urge the approval of the Coffin Butte expansion. You will find their names on the following pages.

On October 20 we submitted a copy of 229 of those emails for the public record. Since then, 31 additional residents submitted an email to express support.

While the specific language of some emails may vary, the message among all is the same – residents urge County leaders to vote Yes on this expansion because it will keep costs low for families, generate critical tax revenue, and support renewable energy investments. One example submitted email is below:

Keep Our Garbage Services Local, Reliable and Affordable

I am writing to urge you to support the Coffin Butte expansion. This is a practical, responsible plan that ensures our county keeps solid waste management and garbage service under local control, where it belongs.

Expanding Coffin Butte brings several important benefits:

- Keeps costs low for families and services. Without expansion, our waste may have to be hauled long distances, driving up transportation costs and straining household and county budgets.*
- Generates critical local revenue. Coffin Butte generates nearly \$6 million each year to Benton County's budget, the second-largest source of discretionary local revenue after property taxes. These dollars support our local schools, public safety, and road maintenance.*

- Supports renewable energy and climate goals. By capturing landfill gas, Coffin Butte powers more than 4,000 homes annually with clean energy, reducing greenhouse gas emissions and helping Oregon meet its climate commitments.

- Ensures reliable, affordable service. Residents and businesses depend on consistent, affordable solid waste management. Expansion secures this for the long term.

Coffin Butte already plays a vital role in our community — keeping costs down, powering homes with renewable energy, and funding critical services without raising taxes. Expansion will strengthen these benefits and position Benton County for a stronger, more sustainable future.

I urge you to approve this important project.

We hope you take some time to review these messages prior to your vote on November 4.

Respectfully,

Benton Clean & Strong
