Dear Commissioners Wyse, Malone, Shepherd:

I would like to make a small revision to my oral testimony of 10/22/2025. The phrase "Sacred springs of the Kalapuya" may have been interpreted as a specific sacred site. This was not my intent. As a non-indigenous person, I do not have standing to make that claim. I would like to delete the three words "of the Kalapuya" and substitute "precious" for "sacred" (used twice).

Revised:

These springs of my grandfather are powerful, these precious springs – we've discovered obsidian scattered around them.

Tampico Ridge, the home of precious water.

Thank you for your time and understanding. I apologize for any confusion that this might have caused.

Best regards,

Robert Kipper
