Board of Commissioners; Nancy Wyse, Pat Malone and Gabe Shepherd:

My name is Anne Hommes. I am a registered voter living in Corvallis.
840 SE Alexander Avenue, Corvallis, Oregon 97333
I have five adult children who grew up in Corvallis, and four grandchildren living in Corvallis.
I have lived with my husband in Corvallis, for 39 years.
In regard to the proposed expansion, LU-24-027, of Coffin Butte Landfill:

I am strongly opposed to any expansion of the landfill.

I ask the Board of Commissioners to uphold the Planning Commission's unanimous denial.
Liquid leachate, methane, local air quality, wind blown debris are all problems that are on the rise, with no plans for improvement, other than more of the same. Our fair city has become the dumping ground for garbage from municipalities far beyond our own. We don't need this! Benton County has many other sources of revenue, besides being a dumping ground for waste, often hazardous! It is short sighted to imagine that our acceptance of an expanded landfill will benefit our area in any way!

Again, I am strongly opposed to any expansion of the landfill.

Sincerely,
Anne T Hommes
