

Navigating the Planning Commission record

This table of contents guides users through the public record for the Benton County Planning Commission review of file LU-24-027, listing each entry's unique reference number, date received by the Community Development Department, and basic identifying information by source (applicant, public, or county). The record opened on January 15, 2025 and closed on July 16, 2025, with the applicant's submission of its final written argument on July 21, 2025. The planning commission adopted the final written decision on July 29, 2025. The planning commission record includes the Notice of Decision and affidavits of mailing that Notice on July 31, 2025.

The information within the columns of this table (explained below) is also represented in the individual file names for each entry.

Reference ID

The unique identifier for each entry to the record.

- Entries from the APPLICANT begin with "A"
- Entries from members of the PUBLIC begin with "T"
- Entries from BENTON COUNTY and commenting agencies begin with "BC"

The number that follows represents the chronological order in which the Community Development Department received the entry. For example, entry "A001" was the first applicant entry into the record, while "A0100" was the last and most recent entry.

Date

The date that the Community Development Department received the entry or, in the case of entries from Benton County, when the Department published the entry.

Entry Information

Limited information to help search the record and/or identify the contents of an entry.

- Entries from the applicant include an exhibit number or code, if applicable, and a file title using "Hump Casing" to distinguish separate words. For example, "E27_LeachteManagementSummary" is the applicant's Exhibit 27, from the materials they submitted at the beginning of the official review period on January 15, 2025.
- Entries from members of the public include the commenter's last name and first name.
- Entries from Benton County or commenting agencies include a general description of the contents or the commenter. For example, "ADAIRFIRE-AGENCYCOMMENT" is an entry including comments from the Adair Rural Fire Protection District.
