To Whom It May Concern,
I am very concerned about any consideration of expanding the Coffin Butte dump.

The Environment and Natural Resources Advisory Committee for the County voted 5-1 to deny the application.

I agree with this assessment fully due to the significant air and water pollution concerns as summarized in their report. I trust that our county commissioners will heed this wise council and do their best to support a sustainable future.

Thanks for your help in all that you do!
Jillian Gregg

Oregon State University in Corvallis, OR is located within the traditional homelands of the Mary's River or Ampinefu Band of Kalapuya. Following the Willamette Valley Treaty of 1855, Kalapuya people were forcibly removed to reservations. Today, living descendants of these people are a part of the Confederated Tribes of Grand Ronde Community of Oregon (<https://www.grandronde.org>) and the Confederated Tribes of the Siletz Indians (<https://ctsi.nsn.us>).
