Dear Petra, Anne, and Rachel,

I am reaching out this morning with regards to the staff report that was sent yesterday for the Coffin Butte Landfill Expansion Application (LU-24-027). I received confirmation that my testimony would be included in the report (copied below), but my testimony was not in the report. Additionally, my mom (Cathy Holdorf) and partner (Andrew Child) also submitted testimonies by the deadline and neither is in the report.

It is my understanding that the Planning Commission must have 7 days prior to the hearing to read the full packet. Will my testimony and that of my family members be read by the Planning Commission? Will the hearing be postponed to allow enough time for the Planning Commission to read my testimony? I share a property line with Republic Services and this expansion proposal is of utmost importance to our family.

Thank you,
Rose Holdorf
