Subject of Testimony: Stop the landfill expansion

Full Name: Dr. Emelyne Woessner

Email: emmywoessner@gmail.com

Street Address: 2773 NW Skyline Dr

Written Testimony:

I am writing to strongly oppose the proposed expansion of the Coffin Butte landfill. The landfill should not be used for a vast amount of garbage from outside of our county to benefit corporations. This will worsen environmental issues already present and would harm our community. Local residents overwhelmingly oppose this plan. Bringing in garbage from faraway communities to our area makes no environmental sense.
